

Enjoy the experience

Features

- 16 chrome-effect, one touch drink selections
- Graphical 'strength adjustment' fitted as standard
- Pre-select options including sugar, optional 'Go decaf', 'Go large', etc, makes this incredible machine capable of producing a wide range of drink varieties
- Optional cold water system capable of serving ice cold still and sparkling water, together with up to 4 delicious syrup flavourings
- Syrup flavourings can be used for speciality drinks such as Amaretto, Irish Cream and Vanilla
- Dual cup management allows cold or standard drinks to be served in plastic cups while speciality drinks can be served in paper cups
- Dual cup system can be used for different cup sizes to compliment the 'Go large' option
