Compatible Partner Machines and Accessories

To enable you to offer a cost-effective, total refreshment solution of ice-cold cans, bottles, crisps, snacks & quality cold water, the Classic can work alongside our IceBreak, SnackBreak, SnackBreak MINI, SnackBreak SLIM, SnackBreak Ultima, Chillout & WaterBoy machines. Unfortunately the Professional cannot be electronically partnered with these machines, however we do provide this functionality with the Elite, Style & Vogue. Please see individual machine data sheets for full details.

Other Important Information

DarenthMJS are committed to a continuous process of product improvement so specifications may change at any time and without notice. All dimensions and capacities shown are approximate and for guidance only. Errors and omissions excepted.
